

Your RSE Solution Resource subscription

Your RSE Solution Resource subscription includes:

Multiple user accounts to enable access for all the staff that need it on multiple devices. Typical costs per user are around £30-£50.

A reduced annual renewal subscription in subsequent years, making it even more affordable. In most cases your renewal price will be at least 50% less than your initial purchase, which reduces the average annual cost over several years.

Updates and new content including:

- September 2021 renewals will include the addition of a summary cross referencing to the requirements in the guidance
- September 2022 renewals will include additional content to help you with assessment.
